

ANYONE CAN *serve* THEIR
COMMUNITY, BECAUSE WE
ALL HAVE SOMETHING
TO *give*

Be the difference in your community.

Annually, Knights of Columbus donate nearly \$130 million to charitable causes. However, donating financially is only part of what we do for the betterment of society.

Each year local Knights contribute over 55 million hours of volunteer service. Our members and their families give selflessly of their time.

Local councils conduct a wide spectrum of service programs that not only service the community at large but also fulfill the needs that exists within each Knight of Columbus to serve others and make a difference.

There is a place for you in the Knights of Columbus. However, more importantly, there is a need in the community for your time and talent.

You cannot build a reputation on what you intend to do.

The future of your community depends on what you do today.

It is easy to say that "someone" needs to make a difference in your community. The world needs more people that will look inside of themselves and see that they care enough to make that difference.

Are you that person?

KNIGHTS
OF COLUMBUS
IN SERVICE TO ONE. IN SERVICE TO ALL.

*If it is not going to be you
that is going to serve
the community then who will
do it and if not now when
will it get done?*
