AS KNIGHTS, WE DON'T ONLY MAKE A DIFFERENCE BECAUSE WE CAN.... WE MAKE A DIFFERENCE BECAUSE WE MUST !

Who We Are:

Founded in 1882, the Knights of Columbus is a Catholic, fraternal organization that sponsors Church, Community, Family and Youth activities through local councils. The New Hyde Park Council was chartered in 1942 and proudly upholds the Columbian virtues of Charity, Unity, Fraternity and Patriotism. There are currently 1,680,472 Catholic men in 12,480 councils worldwide who are dedicated to these ideals. The New Hyde Park Council currently has 1,000 members and 400 Columbiettes.

Fraternal Benefits

Father McGivney founded the Knights of Columbus to encourage the Catholic faith among its members and to setup a system of insurance to provide financial support for the families of incapacitated or deceased members. This purpose continues today through the activities the Knights promote and the optional insurance products that are available through local councils.

9/10/2004

What We do:

Brother Knights and their families support causes that the Church and council believes are important to the members and the community. The New Hyde Park Council holds various social functions and charity events that provide financial assistance to various charities throughout the year. The council also supports local parishes and community organizations by helping them provide services to people in need. Ultimately we promote the Columbian virtues of Charity, Unity, Fraternity and Patriotism among the community in a family, fun-filled and social atmosphere. Knights and their families are deeply committed to these values and enjoy activities that share these values with others.

Come Join Us!

Our council invites you to share in the pride and joy experienced by our members and their families. The Knights of Columbus has a wide range of programs and activities for every member of your family. We encourage our members to voice their ideas on how the council might help others in need and promote family values. The acts of Love, Faith and Charity you perform as a Knight ultimately benefit you, your family and the people whose lives you touch.

Who Are the Knights?

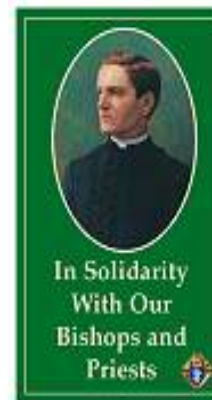

“Today, more than any time previously in its history, the Order has the resources to do more to defend life, promote vocations, preserve marriage and family life, support Catholic schools and participate in the new evangelization. We need to bring the opportunity of membership in the Knights to every eligible Catholic man.”

- Supreme Knight Carl A. Anderson,
119th Annual Supreme Council Meeting

**We're Your Fellow Parishioners
and Neighbors Come Join Us!**

In Service to ONE....

In Service To ALL....

Who Can Become a Knight?

The New Hyde Park Council encourages any Catholic man, 18 years of age or older, who wants to become more involved with his Faith, Church and Community to apply for membership.
