FROM THE PRESIDENT'S DESK

Your support in giving us the opportunity to serve Nassau County for one more year is greatly appreciated by all the Nassau County officers. I hope everyone had a safe and enjoyable summer.

During the month of September we will be attending a Long Island Ducks game on the 17th as well as going on a fishing trip on the 23rd, departing from Point Lookout. We hope every council supports these two events.

Our Fraternal Assistance Program is available to any brother who qualifies. All it takes is a few minutes to fill out the application and submit it.

The Bishop's Mass is scheduled for Sunday November 5th at 11:00AM. It will be held at St. Agnes Cathedral in Rockville Centre. On this occasion we have the opportunity to congregate and pray for our deceased brothers and sisters.

The Bishop's office has requested the Knights of Columbus to donate their time, talent and treasures in assisting them in their TOMORROW HOPE FOUNDATION. The purpose is to raise money to support CATHOLIC EDUCATION. There will be a BIKE-A-THON at the Cedar Creek County Park in Seaford on Oct. 21, 2006. The Knights are asked to support this function by providing manpower control the area, serve refreshments and clean up. A local radio station will provide music. Addition information will be forthcoming. But we should be proud of ourselves that the Bishop looked to the Knights of Columbus to help him in running this function.

PRIESTHOOD SUNDAY
October 29, 2006

Priesthood Sunday was established in 2003 to provide a way for Catholic communities to express appreciation for the devoted priests who serve them so faithfully despite ongoing negative attention in the media. We need to look no farther than our local parish to see men dedicated to serve God through the people in their parish. They serve us faithfully and it is appropriate that we set aside time to say thank you.

There is no better way for a Knight of Columbus to say thanks than to attend Mass as a family and dedicate that Mass for the intention of your parish priest. Other suggestions are available at the website.
